

IGOR GONCHARENKO

Supervisor | Project Coordinator | Systems Implementation

Phone | Email | Israel | LinkedIn

ABOUT ME

Experienced Supervisor with 7+ years in infrastructure, telecom, and high-rise construction projects. Currently leading elevator installation at BEYOND Tower - one of Israel's tallest buildings. My strengths: Coordinating complex operations, managing teams under pressure, and ensuring quality delivery on tight schedules.

KEY ACHIEVEMENTS

- Managing elevator systems in 370+ meter skyscraper (BEYOND Tower)
- 4 years leading fiber optic deployment for Partner Communications
- Consistent on-time delivery and quality compliance
- Zero safety incidents on managed projects

EXPERIENCE

SCHINDLER - BEYOND TOWER PROJECT | 08/2023 - Present
